Action to employ	April 19
Employment begins	Aug. 1 (tentative)

## Application Process

Visit OSBA's secure, online application system at <https://osba.myrevelus.com> to apply. First-time applicants must create a new account to complete and maintain an online profile. If you already have a profile established, sign-in or reset your password and choose from the open positions.

The following items should be included when completing your profile: the necessary certifications and licenses; credentials and transcripts; an up-to-date résumé; and at least five OSBA reference forms. Additional materials you would like to include can be uploaded as well. **Please note:** Completion of your profile is required but does not constitute an application. You must choose from the open positions and follow the application instructions.

You may alter, update and submit your profile information at any time for any advertised OSBA opening.

**Application materials are subject to Ohio's public records laws.**

*Note: Applicants should not make personal contact with board of education members. For information about the search, contact the OSBA search consultant.*

Questions about the online application process may be directed to **Gwen Samet**, OSBA administrative assistant of board and management services, at (614) 540-4000 or [gsamet@ohioschoolboards.org](mailto:gsamet@ohioschoolboards.org).

## New Richmond Exempted Village School District

is seeking qualified applicants for the position of

## Treasurer

[www.nrschools.org](http://www.nrschools.org)

Application deadline  
 March 29, 2021

## The Search

The New Richmond Exempted Village School District Board of Education is seeking qualified applicants for the position of treasurer. It is anticipated that the new treasurer will begin duties in the district this summer.

In partnership with Superintendent **Tracey Miller**, the treasurer is a key member of the district leadership team and its financial leader. He or she must be a model of professionalism, capable of articulating and achieving the district's financial goals, managing the challenges of new policies and maintaining financial health through prudent fiscal practices. The treasurer reports to the Board of Education. He or she is responsible for providing education, understanding, accuracy and knowledge to the board and community members about the district's financial health and position.

It is the treasurer's responsibility to advise board members on all financial matters, to execute fiscal policies and decisions made by the board and to operate the district efficiently and effectively. The board looks forward to establishing a collaborative, mutually beneficial relationship with a new treasurer. The Ohio School Boards Association will facilitate the search process, with **Cheryl W. Ryan**, director of board and management services, assisting the board in this important work.

## The District

New Richmond's enrollment for the 2020-21 school year was 2,371 students, all housed in four schools: Locust Corner Elementary (grades pre-K through 5), Monroe Elementary (grades pre-K through 5), New Richmond Middle School (grades 6-8) and New Richmond High School (grades 9-12). As part of the district's ongoing pandemic response and Responsible Restart, an online learning option, Lions Online, was introduced for students. Over 300 New Richmond students attend local colleges through the College Credit Plus Program and the Grant Career Center.

The district is an integral part of the overall community and takes an active role in community service, special events and activities.

During the March Primaries of 2020, the New Richmond Schools community overwhelmingly supported a 9.4-mill operating levy, which generates an estimated \$4.3 million per year. The operating levy was the first to be placed before voters in over 40 years and includes an additional .5 mills that is earmarked for three key areas (curriculum, safety/security and technology) that respondents to a community survey identified as very important.

New Richmond EVSD is proud of its reputation for strong academics and graduation rates, as demonstrated by its consistently high scores on a variety of local and state assessments. There is an ongoing emphasis on increased academic rigor and expanded program offerings that better prepare students for life after New Richmond EVSD.

The district's well-regarded preschool program is available in both elementary schools. Students interested in career and technical programs may choose from programmatic offerings at Grant Career Center in Bethel, Ohio, about 10 miles from New Richmond.

New Richmond's board works with its administration to offer an academically progressive curriculum, College Credit Plus and other coursework or experiences allowing students to develop skills for a successful transition to college and career. A wide variety of cocurricular and extracurricular activities, including arts, clubs and athletics are also available to all students.

## The Community

New Richmond EVSD is located in southwestern Clermont County, about 25 miles east of downtown Cincinnati. The region continues to be a destination for people who value quality schools and strong community connections. To meet the ever-growing demand for housing in the region, new residential developments are in various stages of planning and construction.

The district serves students living in multiple jurisdictions: the Villages of New Richmond and Moscow, and portions of Monroe Township, Ohio Township, Pierce Township, Tate Township and Washington Township.

There are a number of quality colleges and universities in the region. The district's proximity to Cincinnati also provides quick and easy access to cultural arts and entertainment venues, professional sport teams, Fortune 500 companies and globally recognized medical facilities.

## Leadership

The New Richmond Exempted Village School District Board of Education is searching for a chief financial officer with a sound financial background, proven leadership capabilities, a developed sense of vision and a high degree of integrity, enthusiasm, energy and dedication.

The new treasurer should be one whose knowledge and commitment are unquestioned, and whose consistent direction will assist the district in maintaining fiscal stability and efficiency each year.

A candidate must be able to demonstrate:

- proven skill and ability to work effectively with the superintendent and board of education through a collaborative leadership style, serving as a contributing member of the management team and community;
- a positive personality with a collaborative and participatory management style;
- a thorough knowledge of and successful experience in sound fiscal management;
- a forward-thinking management style that emphasizes organization, creativity, hands-on participation, cooperation and an "open door" policy;
- experience in developing both short- and long-range financial forecasts;
- ability to maintain fiscal credibility and to serve as the board's spokesperson to communicate financial and management information to the management team and community;
- excellent analytical, listening, written and verbal skills with the ability to "teach" the financial information to the community and district leaders through printed materials and verbal and visual presentations that are highly informative and simple to understand.
