Enrollment in YCSD reaches 4,754 students with an overall attendance rate of 78.4% for the 14 schools in the district. The graduation rate is 87.3%.

THE COMMUNITY

Youngstown, the county seat of Mahoning County, is a multi-ethnic and multi-racial city located in northeastern Ohio. The geographical boundaries of the school district include the city and portions of Boardman and Coitsville townships. Once dominated by the steel industry, the Youngstown economy has diversified to include automobile assembly, manufacturing, metal fabrication and small business enterprises.

The city and surrounding areas offer a wealth of recreational and cultural opportunities. Mill Creek Metro Parks, one of the nation's largest natural urban parks, covers 2,383 acres and provides ample opportunities for healthful recreation. Enhancing the educational stature of the community is Youngstown State University. A municipal airport, hospitals, in-state highways, a daily newspaper and radio and television stations add to the appeal of the city.
