## The search

The Toledo Public Schools Board of Education is currently searching for a district treasurer to become its new chief financial officer. It is anticipated that the new treasurer will begin their duties in the summer of 2026. The school board hopes to have a candidate selected and appointed by the end of May. The application deadline for this search is Friday, May 8.

In collaboration with the superintendent of Toledo Public, Dr. Romules Durant, the position of treasurer is crucial to the district's leadership team as its financial leader. It is important to note that the treasurer's role is to achieve the school district's fiscal goals, maintain financial policy and educate and inform both the board of education and community with the current and future states of the district's finances. Qualified candidates must

have the capability to navigate the challenges of school funding with sound fiscal and personnel management practices to provide accuracy and accountability along with preserving stability.
